

ALL-CHURCH WORK DAYS
CHURCH-WIDE CLEANUP

Saturday, January 29
and
Saturday, February 5

Volunteers Needed

On the Saturdays of January 29 and February 5, we will be having Works Days to do a Church-wide cleanup. Volunteers are needed. Adult, youth and children can all help.

One of the areas to be cleaned will be the classrooms, storage rooms, closets, bathrooms and hallways of the old Educational Building – both 1st and 2nd floors. We wish to completely clean these areas of all old carpets, unused or broken tables and chairs, wall hangings, old literature, and any “stuff” in the rooms that is not being used.

In addition to the Educational Building, we will include in the cleanup the North Sunday School rooms, the Basement, the Sanctuary, the Baptismal Rooms, Library, Staff Offices, Kitchen and Fellowship Hall, Rec Area, 2nd Floor Rooms of the Multi-Purpose Building, and all Bathrooms, Closets, Storage Rooms and Hallways.

We do not want to remove or “throw away” anything that is still valuable to ministries within our fellowship, so all members and workers involved in ministries such as Youth, Sunday School Classes, Small Group Meetings, House Committee, Staff, Kitchen, Library, Children’s Ministries, Nursery, Sound Committee, Properties Committee, etc. are needed to review, sort and mark those things needing to remain and those things that can be removed.

Volunteers are needed. Please sign up to help on one of these Saturdays, or both of them.
